Health Insurance Coverage

There are changes in health insurance coverage for international students in Manitoba as of April 1, 2012. For students studying in St. James-Assiniboia School Division, the following changes are now in place:

- All students committed to studying in Manitoba for six months, and who have a study permit valid for a period of at least six months, will be eligible for Manitoba Health coverage. St. James-Assiniboia School Division will assist in the application for Manitoba Health coverage. For information on Manitoba Health coverage please see <http://www.gov.mb.ca/health/mhsip/>
- All students with Manitoba Health coverage will require supplemental health coverage. This is a mandatory requirement. Supplemental Health insurance is provided by Ingle Insurance. St. James-Assiniboia School Division will assist in the application for Ingle Health Insurance. The cost of this coverage will be \$300.00 per school year (September 1 – June 30). For information on Ingle's supplemental health coverage, please see <http://www.inglestudents.com/sjsd>
- Students who commit to studying in St. James-Assiniboia for a period of less than six months will be provided with Ingle Health Insurance. This is a mandatory requirement. St. James-Assiniboia School Division will assist in the application for Ingle Health coverage. The cost for this coverage is \$300.00 per semester or \$75.00 per month. For information on Ingle's health coverage please see <http://www.inglestudents.com/sjsd>

It is the responsibility of all natural parents to review and understand the health insurance coverage provided in conjunction with St. James-Assiniboia School Division.
