### MIDDLE YEARS PROGRAMMING

Middle Years schools in St. James-Assiniboia School Division, are composed of Grades 6 to 8, and are specifically designed to address educational issues involving young people in the transition period between childhood and full adolescence. Along with the regular academic program, all of our Middle Years schools offer a wide range of options as well as extra-curricular activities. Hands on, active participation is encouraged in all subject areas. Team Advisory Groups develop a sense of belonging. This group time allows staff and students to connect outside of a regular classroom setting.
