

Our Community of Schools

The St. James-Assiniboia School Division is a progressive school division located on the Assiniboine River in west Winnipeg. Our 26 schools, including one in the community of Headingley, represent the interests of approximately 8,500 children from Kindergarten to Grade 12.

We are committed to educational programs in which children can develop their natural capabilities to their fullest extent, building upon personal strengths and the richness of our area's culturally diverse population. Our schools and educators work with community stakeholders collaboratively to meet the needs of children in programs founded in academic rigor, but dealing with the intellectual, physical, emotional, and social needs of students.

Our schools and grounds are safe, attractive and are kept in good repair. Transportation is available for resident Kindergarten to Grade 6 students who live within the Division as well as more than one kilometer from their designated school.
