Senior Years Special Programs

Advanced Placement Courses (AP)

AP courses provide students with an opportunity to earn internationally accepted university credits while still in high school. John Taylor Collegiate offers eight AP courses at the Grade Twelve level. St. James Collegiate offers one AP course at Grade Twelve.

French Immersion

Collège Sturgeon Heights Collegiate is a dual-track high school offering complete programs in French Immersion and in English.

International Baccalaureate (IB)

This world-wide program responds to the need for greater academic challenge in the senior years. Collège Sturgeon Heights Collegiate and Westwood Collegiate offer the IB program (Collège Sturgeon Heights Collegiate offers this program in both English and French). Collège Sturgeon Heights Collegiate and Westwood Collegiate will have program information at their Information Evenings.

Technology Education

Collège Sturgeon Heights Collegiate offers a variety of technology programs from Jewellery Arts and Aviation to Power Mechanics.

St. James Collegiate houses the Academy of Science and Technology (ASTec) where students learn the skills needed to enter highly specialized and competitive fields expected to be in demand in the future.

For further information about technology programs offered at each of these schools, please attend the Information Evenings at St. James Collegiate and Collège Sturgeon Heights Collegiate.

Arts Education Program

The Arts programs at all four of our high schools offer a full range of academic courses as well as enriched arts education for students with a demonstrated talent in band, choral, dance, drama and visual arts. A Divisional Performing Arts program, which allows students to major in Arts Education, is offered at Westwood Collegiate.

Call your school of choice, the Division Board Office at 888-7951, or visit our schools online at www.sjsd.net to learn more.

ADVANCED ACADEMICS, TECHNOLOGY, VOCATIONAL AND ENRICHED ARTS PROGRAMS, ATHLETICS

Information on all programs will be provided at the Information Evenings. Please register early to ensure space is available.
